

Science Rules and Procedures

Student Name: _____

Science Class Rules:

1. Follow directions and school rules.
2. Be prepared and on time for class.
3. Remain in your assigned seat.
4. Be silent and listen while others are talking, be respectful of all opinions.
5. Be responsible and accountable for yourself.
6. Leave drama at the door
7. Make good choices.
8. No unauthorized food or drink in the classroom.

Science Class Procedures:

1. Come in the classroom calmly (quietly), take your seat, and prepare for class.
2. Remain in your seat unless you have permission to get up.
3. Turn assignments in on time.
4. Raise your hand to speak.
5. Do not pack up your supplies at the end of class until I dismiss you.
6. You must have permission and a pass to leave the classroom. The first 10 minutes and last 10 minutes no one is allowed to leave unless in an emergency or called out of the room.

Materials to have Every Day:

*1 subject notebooks – 1 for each quarter for interactive notebook for a total of 3 for the year as we combine 3rd and 4th quarters.

*Binder with filler paper

*Pencil pouch containing the following:

- Pencils/Mechanical pencils (with extra lead)
- Hand held pencil sharpener
- Colored pencils - for interactive notebook
- Glue stick - for interactive notebook
- Black or blue pen

Index cards (over 300 by the end of the year)

*Agenda (provided by school): This will be used extensively this year in all classes, hall passes, etc.

Grading:

EVERYTHING we do counts toward your science grade. This includes class work, labs, class participation, projects, tests, quizzes as well as homework. You should do your best on all assignments. This year students will be using interactive notebooks as their portfolio. Please ensure that your child keeps all of his/her work within the notebook- do NOT throw any of your work away. Your grade will be based on the following:

- Formal Assessments: includes tests and projects – 40%
- Quizzes- 25%
- Labs, Class work, Participation- 25%
- Homework- 10%

Test corrections will be available for those making below 70% and must be completed in the format provided and in the allotted time given by the teacher. Students making corrections will not be able to make over a 70%.

Extra credit will **not** be given.

If you ever need extra help or have a question, I am more than willing to help! Please ask!!!!!!

I have read and understand the procedures and rules for science class.
